

# TIP102 | Intermediate Technical Interview Prep

Intermediate Technical Interview Prep Fall 2024 (@ Section 1 | Tuesdays and  
Thursdays 5PM - 7PM PT)  
Personal Member ID#: 111572

 Take the **FINAL COURSE SURVEY - STUDENTS ONLY.**

## Unit 12: Dynamic Programming, Review

---

This week we will take some time to celebrate everything we have accomplished thus far! We will take the opportunity to Dynamic Programming and review all that we have learned so far.

### Unit 12 Learning Goals

By the end of this unit, you will be...

- ☐ Familiar with the concept of memoization
- ☐ Using memoization to optimize recursive solutions
- ☐ Familiar with common indicators a given problem can be solved using dynamic programming (DP)
- ☐ Solving problems using a DP technique
