Unit 10: Graphs I

TAKE THE END-OF-COURSE SURVEY

We will take an End of Course Survey in Weeks 9 & 10 - a live link will be provided via your Programs team.

This week we will be covering the fundamentals of *graphs* and common ways they appear in interviews.

Unit 10 Learning Goals

By the end of this unit, you will be...

- ☐ Familiar with key terms related to graphs
- ☐ Comfortable identifying and working with various graph representations
- ☐ Using Breadth First Search (BFS) and Depth First Search Algorithms (DFS) to traverse graphs
